Frequently Asked Questions

Can I switch payroll providers mid-year?

Yes, you can start your payroll any time.

What about W-2's?

W-2 forms for employees and employer are included and a copy is electronically filed with the Social Security Administration at no additional charge.

Do employees get online pay stubs?

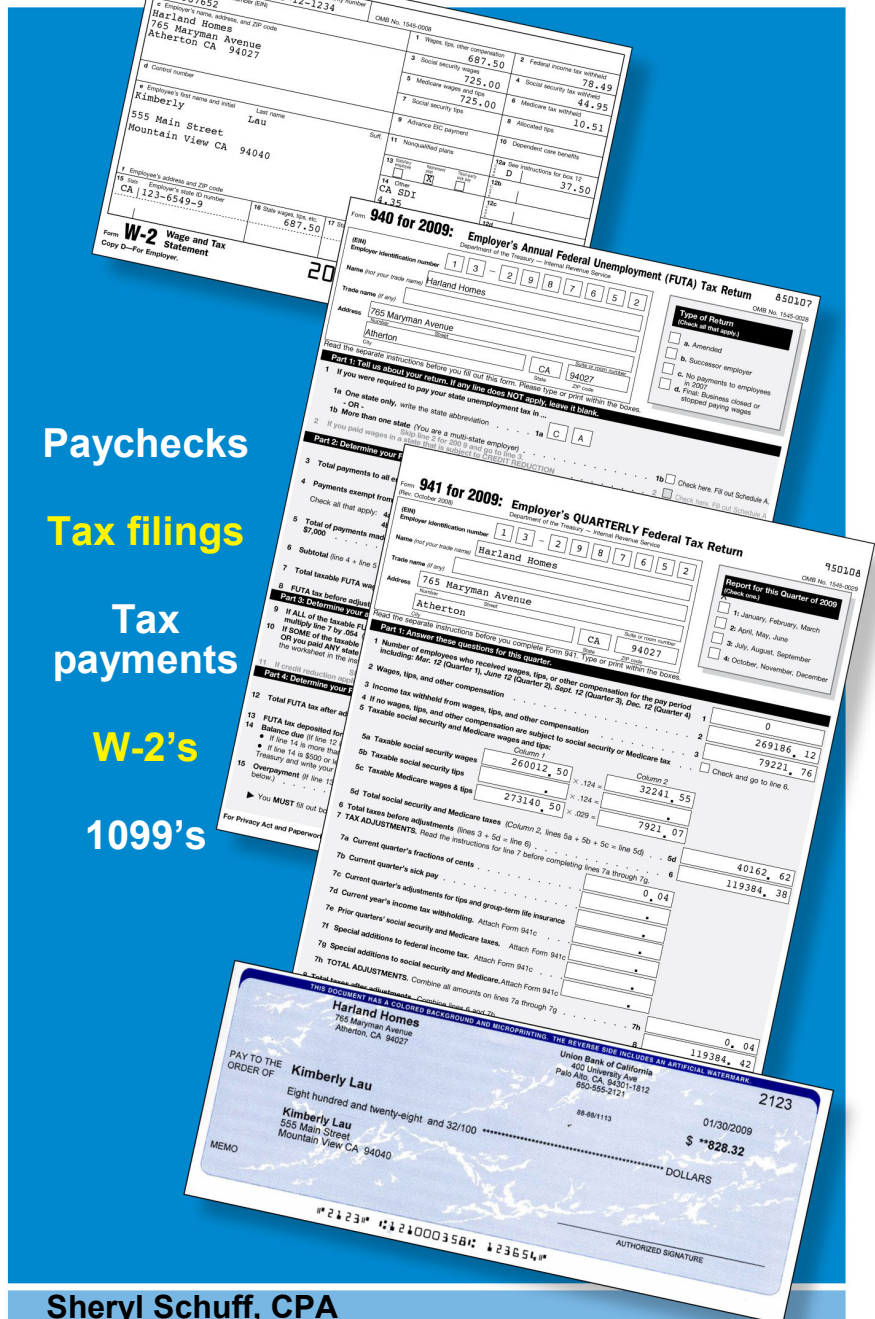

Absolutely; employees have password-protected access to their pay stubs 24/7/365.

Can I import payroll data to QuickBooks?

Yes, I can send you a file that you can import to QuickBooks®, with just a couple of mouse clicks.

What if I have more questions?

Call me or email me and I'll be glad to answer any questions you have.
